On November 20, 2014, the Court ordered the medical staff of the San Francisco County Jail to perform an assessment of Defendant Duval Gibson's physical fitness to stand trial, including an assessment of any cardiovascular impairment, by December 5. The Court hereby **ORDERS** that the medical staff of the San Francisco County Jail perform an examination of Duval Gibson's physical fitness to stand trial without delay. Such examination shall include an assessment of any significant cardiovascular impairment, to be determined by a cardiovascular specialist, whether on the medical staff of the San Francisco County Jail or otherwise.
